

NATURAL RESOURCE COMMISSION[571]

Notice of Intended Action

Twenty-five interested persons, a governmental subdivision, an agency or association of 25 or more persons may demand an oral presentation hereon as provided in Iowa Code section 17A.4(1)"b."

Notice is also given to the public that the Administrative Rules Review Committee may, on its own motion or on written request by any individual or group, review this proposed action under section 17A.8(6) at a regular or special meeting where the public or interested persons may be heard.

Pursuant to the authority of Iowa Code sections 455A.5(6), the Natural Resource Commission hereby gives Notice of Intended Action to amend Chapter 45, "Boat Motor Regulations," Iowa Administrative Code.

This amendment is requested by the Adams County Conservation Board to eliminate the existing rule restriction of a 300 horsepower limit for motor boats on Lake Icaria in Adams County. Many modern boats have higher horsepower ratings (greater than 300) than older manufactured boats and, as a result, the existing horsepower limit has become outdated and is restricting many of the recently manufactured boats from legal use/access to Lake Icaria.

Any person may make written comments on this proposed amendment on or before October 28, 2008. Such comments and written material should be directed to the Law Enforcement Bureau, Wallace State Office Building, Iowa Department of Natural Resources, 502 East 9th Street, Des Moines, Iowa 50319-0034. Persons who wish to convey their comments orally should contact Steve Dermand of the Law Enforcement Bureau at (515)281-4515.

A public hearing will be held on October 28, 2008, at 9 a.m. in the Fourth Floor West Conference Room of the Wallace State Office Building, at which time persons may present their views either orally or in writing. At the hearing, persons will be asked to give their names and addresses for the record and to confine their remarks to the subject of the amendment.

Any persons who intend to attend the public hearing and have special needs, such as those related to hearing or mobility impairments, should contact the Department of Natural Resources and advise of specific needs.

This amendment is intended to implement Iowa Code section 462A.3.

The following amendment is proposed.

Amend paragraph **45.4(3)"b"** as follows:

b. Lake Icaria, Adams County—motorboats of outboard or inboard/outdrive type ~~with power not to exceed 300 horsepower~~. Vessels must be operated at a no-wake speed when within 50 feet of another vessel which is not underway or is operating at a no-wake speed. Additional speed and distance regulations apply as established in 571—40.20(462A).
